III. Explanation of Why Contested Charge Is in Error

This national stage application was filed incomplete on July 10, 2006, i.e., without the declaration of the inventors. It is our understanding that claim fees are not to be charged to the deposit account before the response to the Notification of Missing Requirements is filed. However, claim fees were "calculated" and extra and multiple-dependent claim fees were charged to our Deposit Account on April 13, 2009, **before the Notification of Missing Requirements was mailed**. In response to the Notice, we submitted a Preliminary Amendment, amending both the correctly and incorrectly written multiple-dependent claims so that multiple-dependent claims no longer exist in this application, which was our original intention.

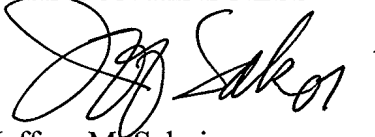

We have calculated the appropriate 2009 claim fees that were actually due with the Preliminary Amendment filed on June 16, 2009, and therefore request that the PTO refund the overcharge of \$1,316.

IV. Manner of Refund

Please provide us with a refund by crediting Deposit Account No. 03-1740.

Respectfully submitted,

CHRISTENSEN O'CONNOR
JOHNSON KINDNESS^{PLLC}
